# Introduction

Sanskriti Foundation UK is privileged to host a 9-day **Ram Katha**, recited by **Pujya Bhaishri Rameshbhai Oza**, from Saturday 13th to Sunday 21st February 2021 at Sandipani Vidyaniketan, Porbandar. This is the first time Pujya Bhaishri will be reciting Ram Katha at Sandipani Vidyaniketan since it opened in February 1992.

Shri Ram Katha guides us towards the ideal ethos of Life. The journey towards *helping others to be the highest form of Dharma*, is the aim of Katha. All proceeds from the katha will be used for the upliftment and empowerment of adivasi tribal children of Saputara, Gujarat.

# ShriHari Mandir 15th Patotsav

13th to 21st February, 2021

***Celebrating Divinity with Divinity!***  
***ShriHari Mandir (Porbandar) 15th Patotsav***

Celebrations mark the auspicious anniversary of the sacred consecration rituals, invoking the divinity within the various swaroops of the Lord. We mark this day of God's grace to manifest in this form with gratitude and great joy and thus deepen our connection with the divine.

***2021 Patotsav***  
***will include:***

- 9-day Shri Ram Katha
- 9-day Manorath Jhankis
- Annakoot, Govardhan and Gau Poojan on Vasant Panchami
- Shri Vighrah Abhishek and Paalki Yatra on Rath Saptami
- 9-Kundi Ram Yagya

## *Utsavs make 'Life a Celebration'*

and aid in our return journey from depression  
to our own blissful Self, says Pujya Bhaishri.

Ongoing celebrations, the devotional sentiments of devotees  
and the purity of those who serve the Lord all enhance  
the spiritual aura and splendour of the swaroops,  
say our scriptures.

# *Sandipani Vidya Sankul Saputara*

Pujya Bhaishri is dedicated to the value-based educational development of children, especially in rural parts of India where there is a paucity of equal access to quality education and resources.

Sandipani Vidya Sankul, Saputara is one such secondary school located in the sole hill station of Gujarat, educating the adivasi students of the Dang district of Gujarat (adivasi are described the 'first dwellers' of the forests, or tribal peoples of India).

## *The aims of the school are to:*

- Improve standard of education and literacy rate in the region;
- Provide quality facilities for Adivasi students to be global citizens whilst retaining their unique cultural identity;
- Enhance employability, and thus improve standards of living in the region;
- Social and economic progression so that the community may grow beyond blind faith practices and forced conversions.

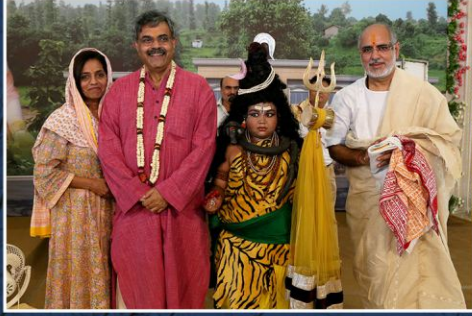

*All funds raised from this Shri Ram Katha* will be directed towards this school to pay for educational, recreational and vocational training facilities.

***Separately, significant sevas available:***

- Student Hostel Rooms
- Science Laboratory
- Second Computer Laboratory
- Music Room
- East Wing and West Wing sponsorship
